some is that good material colld not be obtained. No dramatic author with coing sense in his head and an intriced manurity in his pooket would dash his hopes against any such rock of disaster as that the knows well enough that no selegate the freeduction could be given under the control of the Strauss valse, Hofmann's art was exhibited in its most amiable light. He is a heatres. No writer in whom the manuser could repose any confidence would have his work handled in such a destructive way, why, a month is usually given to the rehearsal of a new play, and almost never less than three weeks, with actors doing nothing else. A company that could rehearse only a single week in the forenoons, while any local plays would as sure as fate kill off auything short of a masterpiece. So the only available new plays would be the work of novices and generally worthless.

Surely the literature of the plano is copious that seconds avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice Boulevard at Second avenue and Eighth the seldom heard Mendelssohn Captice and in his won brilliant and difficult transcription of the Strauss valse, Hofmann's art was exhibited in its most amiable light He is a model there. The Liability of Dressmakers Passed Upon by Justice O'Dwyer. Margaret J. Nestor, a dressmaker, has an

action pending in the City Court to recover \$100 from Isabella Paul for a tan cloth gowr In addition to the defence that the gown did not fit and could not be worn, a counterclaim of \$50 was set up because a tan coat to be worn with the dress could not be used and so was rendered of no value to the defendant. The plaintiff having demurred to the counter claim, the case came before dustice O'Dwyer of the City Court vesterday on argument on the demurrer. The Judge holds that the counter claim cannot stand because damages are too farfetched.

"If the defendant could purchase a cont to be used exclusively with the dress," he declares, "and charge the cost thereof to the plaintiff, she might with equal right purchase y sluable bonnets and furs and charge them to the plaintiff, and put the measure of her damages beyond all limits. The damages must flow directly and naturally from the breach of contract, and they must be certain both in their nature and in respect to the cause from which they proceed." claim of \$50 was set up because a tan coat to

you may have what thousands visit Europe for yearly, that is, the natural Carisbad Sprudel Salt. It is obtained by evaporation at the Springs, and is identical with the waters in its action and results, which are the same to-day as when Emperor Charles IV, was cured four hundred years ago, and later George III., Peter the Great, and Maria Theresa benefited by their use. They aid digestion, cure constipation, and purify the blood.
